Tiffany Polifka 402.392.2244 tiffany.polifka@raymondjames.com
Terri Blackburn terri.blackburn@cityofomaha.org

Meeting to order 5:07 P.M.:

OLD BUSINESS

Bryan presented the bill for TD2, \$32050.65. Motion to approve by Dave, second by Michele.

Olde Town Elkhorn sign: Dolphin Rep went over the design. He let us know that only the sinkage counts for Sq. Footage. The cost would be around \$5,500 to build over the winter off season and be ready for the end of March. He discussed that up lighting would look the best and they have an electrician they work with and will put his quote into the proposal as well. Led Lights cost are \$15 to \$22 a month. A deposit of half down is required.

Main Street construction: There are no bids on the Public Works website. They are going to talk to the single bidder from last time.

Website: Tiffany: Things are moving we have an email address set up for the editor. The contact us button has been fixed. We have ad space ready to go and were thinking \$25 a month is a good starting place. Send all events to oldetowneelkhorneditor@gmail.com.

Michele: We are doing the advertising again this year with KETV and it will run through December 23rd.

NEW BUSINESS

Christmas Lights: Dave said the cost for Tyler's building would be about \$500 with LED bulbs. Dave though most businesses would be around this price range. There is a minimal fee to change the bulbs. He will see if we can get a bid.

Michele motioned to adjourn. Arnie seconds

Meeting Adjourned at 5:48 P.M.
