Meeting to order 5:10 P.M.:

Introduce:

Bryan Spoke with Michael Kleffner on 8/08/18 the project is open for Bid. Kevin all Bids need to be in on the 8/22/18 and the completion of the project is in November. We also need to have the bid approved by the city council.

Once Bids are in then Michael Kleffner will contact us

Stripping complete on 206th street completed 8/ 7/18

- Your ideas on what we can do for our BID area this month.
- Goals could include Marketing, physical enhancements, transportation and parking, management,
- Appearance or beautification.
- Plaques in front of historical areas "Dave find out the cost and the size" ****
- Contact Patsy Schmidt on the historical aspect of elkhorn get a few plaques made. ***
- Appearance find out where to get the park benches that Dundee has no maintenance. ***
- Perry on if he contacted McArdle on the sign off 204th street ****
- What we can do to brand or advertise the downtown Elkhorn BID area.

Tiffany will help with the Web site find out who can do the work and manage the web site for promotions.

[New Business](#)

Let sent out to the owner of 20563 Glenn St.

A city inspector has gone out to the property and issued a notice to the property owner about their violations.

[Meeting Adjourned at 6:52 P.M.](#)
